

I am a freelance creative (art) in Dallas. I work with hundreds of clients and agencies each year to create award-winning advertising, direct mail, promotion, broadcast and web/multimedia campaigns. Pairing over a decade of experience with strategic thinking, I'm an expert at creating actionable initiatives that move customers to purchase. My work has helped launch products for Anheuser-Busch, Rent-A-Center's national broadcast/print campaign and direct-mail programs for Cingular Wireless. My past and present clients include Pizza Hut, Hilton, Nokia, Southwest Airlines, T.G.I. Fridays, Frost Bank, Shell Energy, TXU, Fisher-Price, ABC Radio and Procter & Gamble to name a few. I hope we can work together soon. 😊
